Dear Jennifer,

This is a valid order for Drogueria is because they are now servicing the 2 retail buying groups in Puerto Rico.

They are Coopharma & Aliadas pharmacies who were serviced by Cardinal. Methylphenidate is on the Puerto Rico Common Wealth Formulary and will have spikes in demand.

Please honor and ship the orders.

Sincerely,

Sincerely,

The following two orders that were placed are significantly higher than their previous demand.

Order Number	Item Number	Item Description	Quantity Ordered
70221268	114601	METHYLPHENIDATE 20 MG TABS	432
70221268	051205	OXY/APAP 5/325 TABLETS USP	432

We have two questions that need answered before we can proceed:

- Need confirmation this is a valid location for Drogueria: "DROGUERIA BETANCES INC,CAGUAS,PR"  
 (Do you have anything to confirm the location of Caguas, PR for them.)
- Need explanation for the increase in volume being ordered.

Please note that these orders are being held until we receive the necessary feedback.

Thanks,

*Jennifer Bullerdick*
